

9.0 Parts List

DESCRIPTION	PART NO. for 315	PART NO. for 320/310	PART NO. for 335
Air Filter (Electronics, Rear Cover)	101821	101821	101821
Air Filter (Optics, Front Cover)	102189	102189	102189
Arc Lamp Assembly (without Ignitor)	900611S	900611S	102276
Battery, System Controller	100881	100881	100881
Bezel, for 3:1 Lens	101594	101594	101594
Blower, Arc Lamp	101476	101476	103877
Condensing Lens Assembly	900614	900614	900614
CRT	100518	100518	100518
CRT Yoke Assembly	100561	102565	102565
Decoder Board Kit	102167	102167	102167
Dichroic Mirror Assembly, add-001 for Blue, -002 for Green, -003 for Red	901120	901120	901120
Dot Matrix Display CB	101315	101315	101315
Extender Board, PCA	101189	101189	101189
Fan, 4.125 centers Arc Lamp Ass'y (315G)	100639		
Fan, Large (Cooling Fan, Front Cover)	102174	102174	102174
Fan, Small (Card Cage, CRT, or Front Cover)	101227	101227	101227
Fuses on Boards, 7 amp	101363	101363	101363
High Voltage Power Supply	100562	100562	100562
Ignitor Assembly, Lamp	102083	102083	102207
Image Light Amplifier (ILA [®]). Full 3x4 Video -add -14 to part number for Blue, -15 for Green and -16 for Red. Moving 9x16 Video -add -24 to part number for Blue, -25 for Green and -26 for Red. SM Moving 3x4 Video -add -44 to part number for Blue, -45 for Green and -46 for Red. EDS 3x4 Graphics -add -54 to part number for Blue, -55 for Green and -56 for Red.	100594	100594	100594
Image Light Amplifier, ILA [®] , Special Order	102630	102630	102630
IR Assembly Repeater (requires cable)	101974	101974	101974
IR Mount Assembly, Internal	101601	103012	103036
IR Remote Cable Assembly–100 feet	102243	102243	102243
IR Remote Cable Assembly–150 feet	102159	102159	102159

DESCRIPTION	PART NO. for 315	PART NO. for 320/310	PART NO. for 335
IR Remote Control, Executive	101435	101435	101435
IR Remote Control, Technician	101270	101270	101270
Lens Set .885:1, 3 required (For screen widths 8'-13.33')	103280	103280	103280
Lens Set .885:1, 3 required (For screen widths 13.33'-25')	102692	102692	102692
Lens 1.5:1 Blue	101715	101715	101715
Lens 1.5:1 Red/Green (2 Required)	101241	101241	101241
Lens 2.177:1 Red	102147	102147	102147
Lens 2.177:1 Green	102148	102148	102148
Lens 2.177:1 Blue	102149	102149	102149
Lens Set 3:1 (3 required)	900609	900609	900609
Lens Converter for 3:1 lens	103809	103809	103809
Lens Adapter for 3:1 Converter	102686	102686	102686
Lens Set 5:1 (3 required)	101239	101239	101239
Lens Converter for 5:1 lens	103809	103809	103809
Lens Adapter for 5:1 Converter	102687	102687	102687
Lens Set 7:1 (3 required)	101240	101240	101240
Lens Set 10:1 (3 required)	103342	103342	103342
Lens .8 Converter for 1.5:1 Lens	102834	102834	102834
Lens .8 Converter for 3:1 Lens	102686	102686	102686
Lens .8 Converter for 5:1 Lens	102687	102687	102687
Manual, Operator's	101375	101375	101375
Manual, Service	101376	101376	101376
Manual, Supplement for Model 335			102802
PCA, Backplane	100571	100571	100571
PCA Horizontal Deflection	100523	102523	102523
PCA Raster Timing Generator	100568	100568	100568
PCA System Controller	100352	102352	102352
PCA Vertical Deflection	100521	102521	102521
PCA Video Amp-CRT Board	102461	102461	102461
PCA Video Processor	102030	102030	102030
Polarizing Beam Splitter (Prism Assembly)	900612	900612	900612
Relay Lens	900613	900613	900613
Shipping Case	101617	101617	101617
Steering Mirror w/ Frame	700652	700652	700652

DESCRIPTION	PART NO. for 315	PART NO. for 320/310	PART NO. for 335
Switcher, Extron System 8	101743	101743	101743
Switcher, Extron System 10	102192	102192	102192
System Power Supply, 1500 Watt	104070	104070	
System Power Supply, Internal, 2500 Watt			104071
System Power Supply, External, 2500 Watt			102281
Tethered Remote (with 25' cable)	101241	101241	101241
Tethered Remote Cable Assembly-25 feet	103042	103042	103042
Tethered Remote Cable Assembly-50 feet	102248	102248	102248
Tethered Remote Cable Assembly-75 feet	102249	102249	102249

When ordering an individual lens from any of the lens sets above, specify the color.

Spare Parts

Hughes-JVC recommends keeping a spare Arc Lamp assembly on hand. Any other spare parts that should be kept available depends on the urgency of your application, (Consult with Hughes-JVC).
